We follow the model of “Christ within us” as the hope which gives us the ability to overcome evil in our lives.

**“Hath the rain a father? Or who hath begotten the drops of dew?”**

**B**egotten. I was going to place part two of Rev. Wole’s devotional up today, but the Holy Spirit moved me to place this one. This one the LORD gave me last night and the Holy Spirit moved me this morning to share this with you. We have all wondered, well many have wondered why the word “begotten” was used to describe Jesus.

**be·get**   **bɪˈɡet** - [Show Spelled Pronunciation](#)**[bi-get]**

[Pronunciation Key](#) - [Show IPA Pronunciation](#)

—*verb (used with object)*, **be·got** or (Archaic) **be·gat**; **be·got·ten** or **be·got**; **be·get·ting**.

1. (esp. of a male parent) to procreate or generate (offspring).
2. to cause; produce as an effect: *a belief that power begets power*.

—*Related forms*

**be·get·ter**, *noun*

—*Synonyms* 1. spawn, sire, breed, father. 2. occasion, engender, effect, generate.

This is for the spiritually mature. Read on. Let's now think about the human procreation process—a sperm from a man connects with an egg from a woman. That is the human process whereby children are produced in current human biological processes whether in nature (through sex) or in man's carnal nature (in a test tube). Either way, that is how it is done.

So now the question is: How did Jesus (Yehoshua, Yeshua) get created?

**John 1:14** says that He, Jesus was flesh. If He was flesh, then He came into direct contact with the Laws of Nature which is why He could not jump from the top of the temple or any height without the consequences of that action. This is due to the fact that God's Will for His Life did not include Him jumping and God or the Angels saving Him.

Jesus had to obey the earth's Natural Laws. He could change them or bend them only if it was according to God's Will. (This is where many fail in our spiritual growth—there is a desire to do and receive things that are not in God's Will for our lives and therefore God does not, His Angels do not, Jesus does not intervene because a person may be outside of His Will for their lives. Christ comes into the picture then, because Christ bore the pain and suffering of living as God in a flesh vehicle, Jesus; and therefore has the ability to save us from our misguided ways, because He, Christ and Jesus has earned the Right (hear Righteousness) to manipulate natural laws.

Let me get back on track. So imagine the Holy Virgin Mary before conception—no sex with a man—in bed and something is happening to her. What? Imagine God—bigger than the universe (He made it)—trying to get inside of Mary—an impossibility. Nothing is impossible with God. So instead of placing His whole self, His entire Being inside of Mary, He places a part of Himself. This part is His Only Begotten Son, which is represented to Holy Mary as Christ. This Christ part of God (Christ—the Anointed One) was with God in the Beginning. Jesus was yet born through Holy Mary. Remember, Jesus was flesh.

Christ, God, the Holy Spirit, the Angels, and members of the Holy Family are ALL SPIRITS. You and I are flesh and spirit. So was Jesus before His CRUCIFIXION—He was flesh and Spirit (Big “S”); we are flesh and spirit (little “s”). It was that Big “S,” God’s Spirit that came into Virgin Mary and begets Jesus. Begetting means basically, a part of me is mixed with a part of you and something new is created from that which never was—not a clone, not a test tube creation, but a “God-Creation.” A mixture of God and man—Jesus, Yeshua who with the help of Christ within Himself could withstand the wiles of the devil and the temptations of both man and satan. We follow the model of “Christ within us” as the hope which gives us the ability to overcome evil in our lives. Exhibiting the “fruit of the Spirit” (**Galatians 5:22**) allows....
