MYSTERY REVEALED: *Alpha and Omega, the beginning and the end. The antichrist has taught you the end first. God is Love. And He is. But this is the beginning. Hear this! Love is God (on the inside); not an emotion!*

“I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.”

REVELATION 1:8 (Rev. 1:11; 21:6; 22:13)(KJ)

“For this is the love of God, that we keep his commandments: and his commandments are not grievous.”

1 JOHN 5:3 (KJ)

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”

JOHN 3:16 (KJ)

Father God is Love. Part Two. Please see part one, [IDD](#), Sunday, 21 February 2010. Emmanuel Blessings all around! I knew this morning was going to be a glorious one, because I was going to receive part two of this devotional. And yes, I did receive it. Here it is. Bless your eyes and ears to receive this Heavenly Manna. Hint: God is love, God is spirit, and Spirit is action. Above Scriptures: 1) **Revelation 1:8**—the action is He started it and He finished it; 2) **1 John 5:3**—the action is living a life like Jesus; 3) **John 3:16**—the action is God sent His Son and His Son lived a sin-free life for you and me. Love is action.

When you say (or think), “*God is love*”; you attempt to place a multiple universe-sized Being in a word or a feeling or an “emotion,” or a bio-chemical reaction. (Those of you who know my situation are thinking, “*Anthony is just upset because he is going through a divorce.*” That my friend is the voice of satan in your brain. I am more happy, at more peace and have more love in my heart than I have ever had in my entire life—but I love Christ Jesus so much that

I cannot bear any evil, any evil of any type, anywhere, any time--period. It is like a snake whose head I desire to crush under foot.)

When you say (or think), "Love is God," now you are fitting or placing an emotion, a bio-chemical reaction, a feeling under the auspices, dominion of our Heavenly Father. We think of how much love He has for us that He gave His only Begotten Son (**John 3:16**) and how He will accept anyone and everyone, just where they are in their lives with their "stinking thinking" and their "stinking living." Christ Jesus—Everlasting Father—cleans us up!

What is an emotion? You cannot put your fingers on it, nor your hand. It is not a physical thing like your car or house or television. Then what is it? You feel it, in what we say emotionally. Is that really emotion? What you are feeling is spiritual. Father God has connected Himself so entwined with us that we cannot ignore Him. **MYSTERY REVEALED:** He has placed Himself in us as emotions—love specifically, so we cannot ignore Him. One day cannot go by without us having some type of contact with our emotions...happiness, joy, peace, love, and other positive responses to Father God's Creation. Jealousy, envy, distrust, hate, and maybe emotions like sadness are of the characteristic of satan, but remember, everything, and I mean everything that ever existed proceeds from the Father's very existence and is a construct for Christ. Remember, Christ Jesus is the EVERLASTING FATHER. (**Isaiah 9:6**) Please read your Bible more.

The word emotion is derived from the French, so how did the Greek get to influence the word love so much? Emotion from [Merriam-Webster](#): "the affective aspect of consciousness." Now that's Webster, but this is the etymology which is absolutely the correct answer and I am shocked it is there: to remove, displace or to move. That my friends is nothing but Father God and Love explained. God is spirit; spirit is action—to move is action—to remove is action—to displace is action. To move you to His Love—to displace evil thoughts and behaviors—to remove anything not like Jesus from you (inside and out). (TO BE CONTINUED)
