"Where is the F-R-AU-D in all of this?"

“1 Go to now, ye rich men, weep and howl for your miseries that shall come upon you.

2 Your riches are corrupted, and your garments are motheaten.

3 Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days.

4 Behold, the hire of the labourers who have reaped down your fields, which is of you kept back by fraud, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth.

5 Ye have lived in pleasure on the earth, and been wanton; ye have nourished your hearts, as in a day of slaughter.

6 Ye have condemned and killed the just; and he doth not resist you.

7 Be patient therefore, brethren, unto the coming of the Lord.

Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain.

8 Be ye also patient; stablish your hearts: for the coming of the Lord draweth nigh.”

JAMES 5:1-8 (KJ)

Reject Spirits of Deception – 3. This is how a person or group of people can bring an unclean spirit into your home, business, or government; namely in this case: “deception.” Please read part one, [Monday, 16 March 2009](#). Please listen carefully because there is a lot of information. During this devotional when I say, FED, I am talking about the [Federal Reserve Bank of America](#).

The problem you see with Geithner is: we are asking a hunting dog to hunt differently than how it knows how. We want this dog to do his B-E-S-T, when all he wants to do is B-E-N-D. Geithner is like a Golden Retriever; he fetches what, when told to do so. Can you say, “Stash the Cash” Game. Geithner knows how to B-E-N-D the law to fit his handlers or his cohorts pleasures; which in turn sweeten his pockets. The MIDDLE CLASS is asking him to work for us in a FEDERAL position and look out for our B-E-S-T interests... wait a minute... isn't that what he was doing at the NY FED... looking out for New York's B-E-S-T interests? Or his? Then why did he give AIG, one of the world's GREATEST CHEATERS a FAT CAT, FAT CAT CHECK?—the LOOPHOLE... “Oops,” Geithner says, “I thought I was at the NY FED where when I sneezed, the skirts wiped my a___. Forgive me.” We forgive, but we do not forget and there is my friend the idea of RESPONSIBILITY all the FAT CATS have not mentioned. Can you ask, “Where is the F-R-AU-D in all of this?” Watch as the FAT CATS try to use the media and world events (which America has any number of CORPORATIONS large enough to do this) to see if our GOVERNMENT can and will look after our best interests.

Remember, we Americans are Christians—and we look out for one another—I don't know about the other Americans, but America is a Christian nation—not a pluralist one. And WE LOOK OUT FOR ONE ANOTHER... not just the FAT CATS who are like the tip of the iceberg,

while the MIDDLE CLASS is the greater mass underneath—shall I dare say, “Held down.”

Rushed contracts just like the TARP one, but hundreds of contracts—come through this is one Georgia bank—with poor and bad contracts and poor performing contracts—and cronies all around. WHY! Because everyone is too busy trying to get a bonus, and now trying to make sure they have a job and keep a job—which causes them to look the other way and be the monkey that saw nothing. If everyone is doing it—CORRUPTION—why not me? If everyone is doing it, CORRUPTION—and one person is not involved—they are fired or re-aligned in the corporate, business, or government environment to be “out of the way.”

So, my wife, an attorney is in a life-long contract. She knows it. I know it. DeKalb county knows it. But since she says, “I want to end this contract.” And this is the norm in America that when a woman or man is tired of the other, to toss them in the trash. This tossing in the trash behavior is seen in many high profile marriages, especially in Hollywood. So everyone plays along as if it is okay. It is not okay. Marriage is a life-long contract. So many people like the ones following Oprah into the Abyss, follow along other American trend lines which will inevitably end in great tribulation.
