1 “In the beginning of the reign of Jehoiakim the son of Josiah king of Judah came this word from the LORD, saying, 2 Thus saith the LORD; Stand in the court of the LORD's house, and speak unto all the cities of Judah, which come to worship in the LORD's house, all the words that I command thee to speak unto them; diminish not a word: 3 If so be they will hearken, and turn every man from his evil way, that I may repent me of the evil, which I purpose to do unto them because of the evil of their doings. 4 And thou shalt say unto them, Thus saith the LORD; If ye will not hearken to me, to walk in my law, which I have set before you, 5 To hearken to the words of my servants the prophets, whom I sent unto you, both rising up early, and sending them, but ye have not hearkened; 6 Then will I make this house like Shiloh, and will make this city a curse to all the nations of the earth. 7 So the priests and the prophets and all the people heard Jeremiah speaking these words in the house of the LORD.”

Jeremiah 26:1-7 (KJ)

Reject Spirits of Deception – 5. To bring it all home again. In Georgia, the State Legislature, only a few days ago, maybe yesterday: “Passed the toughest food inspection standards in America,” says the VALUEMAKER on NPR radio. In the same message, at the end, placed for you to miss it, for you to ignore it since it will be said once, and once only: The new provision, the new law, only makes the business in question report the tainted food which has the potential to poison people if the business already has the testing kit, the testing program in place. If they do not have it in place, then they do not have to report the testing, nor any positive poisoning potentials.

Now what does that tell you? This tells you that LOBBYISTS in GEORGIA have COLLUDED with LEGISLATURE members to keep the STATUS QUO of not reporting potential toxic food products that exist. Here we go: if we don't know about it, we cannot report it. This is not a lie: it is DECEPTION. The deception of acting as if something prudent and responsible was done, when in fact, little was done to change the situation. Hence, the status quo was maintained. And as it goes historically, the VALUEMAKERS headlined with “Georgia passed the toughest food inspection standards in America.” both a lie and deception.

And you wonder why the world is not investing in America and why the American MIDDLE CLASS, is ready to revolt against the FAT CATS. So Po-po, when a man wants to move his bed back into his bedroom, or a man wants his children to speak to him and obey him and not avoid him completely with his spouse's okay, check out your facts before you go rushing into a place with the “blame game,” or the “keep them in their sins” on your sleeves-- make sure you are not being manipulated by one of those “three-week off” and “one week on people,” who claim to have been terrorized with words. If you want to know real terrorism ask George Bush

Jr. or Sr., either is the master of it. Or ask Iraqis, Afghans, or American Blacks; not Obama, he is African-American (mulatto), not Black (attitude).

Additionally, this is how ingrained the corporate problem is in America. Twenty years ago, chicken purchased in America had very little fat. Now today's chicken if it is not organic or in top-end stores will be filled with fatty tissue. The US FDA (Food and Drug Administration) allowed and allows that chicken to be fed hormones which make them fatter and plumper. Since they sell chicken by the weight, the industry makes millions of dollars in profit from the sell of all this fat. This potentially carcinogenic fat should never have been allowed to be in the meat in the first place. This negative aspect of this one product can be seen and magnified through industry after industry in America. I wonder why people do not trust Americans. Americans do not trust one another. Ever heard of a "fat sacrifice?" **"And he shall offer of the sacrifice of the peace offering an offering made by fire unto the LORD; the fat that coverth the inwards, and all the fat that is upon the inwards,"** Leviticus 3:3 (KJ) (Will talk about this another time.) Does this have anything to do with little to no world peace?

Have you ever wondered what this means in today's terms: "the children passed through the fire." **"And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times, and used enchantments, and used witchcraft, and dealt with a familiar spirit, and with wizards: he wrought much evil in the sight of the LORD, to provoke him to anger."** 2 Chronicles 33:6 (KJ) In today's terms we collectively have placed our children to pass through the economic fire of FAT CAT conspicuous consumptive exuberance, which we have allowed to be created by having no representation of the MIDDLE CLASS in government (mostly lawyers—you know what Jesus said about them), only representation for the FAT CAT CLASS by the FAT

CAT CLUB MEMBERS which by the way is much smaller than the Middle Class in America and I would say, in most countries. Hear that BIG. Real changes mean something really has to change not just the perception of change. Or saying that there is change. What am I saying? I have witnessed for most of my life, Americans politicians and their FAT CAT cronies “playing” the American public as if we are dumb. We might act dumb, but that doesn’t mean we are dumb and are going to sit here and that all this B___S___ that is coming our way. I have heard presidents say, “That has to stop.” (Lip service to an issue.) Then in a few weeks or months, the issue just goes forward as if nothing happened or not Americans were harmed—the dumb Americans forget or do not complain, because the head is in the sand. No more! **“And Jesus answering them began to say, Take heed lest any man deceive you:” Mark 13:5-9 (KJ)** Are we seeing the surfacing of the new FAT CAT kings of the end times spoken of in Revelation? **“And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns then crowns, and upon his heads the name of blasphemy.” Revelation 13:1 (KJ)**
