*We have to be Edified by Scripture and Preaching and
One another to Be, Become, Live and Act like Christ Jesus did when
He walked on the earth; nothing else will stop the coming destruction.*

“Correction is grievous (correction is difficult and painful) **unto him that forsaketh the way:** (to those who forsake The Way, the Teachings of Christ Jesus) **and he that hateth reproof shall die.”** (and if you resist your correction, i.e., if you continue to do that which is wrong in the Sight of the Lord, when you have been warned, Father God will allow your unrighteousnesses, your disobediences, your selfishnesses to allow unclean spirits to lead you to your own destruction).

PROVERBS 15:10 (King James Version)

The **Coming Messiah. Part Six.** See Part One, Sunday, 14 March 2010. The Blood of The Messiah is upon you, the reader, or hearer of these words, filling you up and moving any and everything that is unlike The Messiah out of you right now, out of your work place, out of your car, out of your house, away from your children, away from your parents, and away from every place your body goes in the Precious name of Emmanuel, by the Power of His Victory, by the Victory of His Power, by His Throne and His Crucifixion, Resurrection, Descension, Ascension and His Love to all of Creation for the Fulfillment of The Father's Will. Selah and Amen. Hallelujah! Continue in your Blessings this day the Lord has placed you in.

Housekeeping: Remember, I am a writer who is writing, and as such when you come into contact with me and if the Holy Spirit moves me to include our conversation or contact in these devotionals, do not get angry, disturbed or upset in any way; know the Lord is using your circumstances or conversation for the

edification of your brothers and sisters. Remember, I am a humble servant like you and am not special except how we all are special in the Sight of the Lord. I am attempting in every way to be obedient to His Voice and to follow Him, keep His Teachings, prepare for His Coming and please Him as much as possible. As my son, Marcus, used to say: "To make the Lord smile."

Saturday, March 27, 2010, eBlessings had our first Web Bible Class from Atlanta to Pakistan to an "overflow" crowd. Study was on: [How to hear from the Lord](#). Every Saturday there is a class planned; 8 am in America and 9 pm in Pakistan. Web cam / audio class. Hallelujah! Bible teachers, trainers, Pastors, Missionaries attended the class and plan to go into the Harvest Field with the Lord's Teachings. Brother Ameir and his team of translators are translating our "Manna from Heaven" into Urdu, one of the Pakistani languages. Praise the Lord in all things great and small! I conducted the class which lasted 1 ½ hours.

I am preparing for the fight against "Divorce in America" this Wednesday at the DeKalb County Courthouse, Judge Tangela Barrie residing; 9 am in Superior Court. Divorce is a plague which is too easy to obtain in the court systems in America; the courts follow Hollywood instead of the Bible though everyone must swear on It when in trial. (CONTINUING FROM BEFORE)

PROPHECY: The wailing wall will not be destroyed. A group of Hebrew and Christian religious leaders and businesspersons are planning to take the wall down, stone by stone as Israel prepares to re-build the Temple, the physical Temple. The wailing wall will be destroyed if they do not get it down before natural or man-made destruction comes. When the stones of the wall come down, Jesus is just around the corner; His Time will be nigh upon us.

(Key: Remember, you cannot compare an unnatural hormone imbalance with a natural skin pigmentation and say they both qualify for and as a civil right and a civil right violation when not treated as right justifiable and quantifiable by the Constitution of these United States of America. One is a brain dysfunction and the other is proper brain functioning. What am I talking about?: gay folk vs. black folk. Evil is attempting to get American society (and world societies) to accept brain abnormalities as normal and acceptable. What, is pedophilia going to be next? Or some other form of sexual perversion.)

Please listen, when you read in your Bible about strong delusions, **(2 Thessalonians 2:11)** you think about someone in a mental hospital—no—your

television and video games are bringing the strongest delusions ever presented to human societies through the [suspension of disbelief](#). The trick is this: You see something that you know is not real. But you discount it as real so you can enjoy your television show or video game, saying, *“I am enjoying the experience.”* Or, *“I am getting or want the whole experience of the show.”* Or, *“I want to be totally immersed in the visual, auditory or perceptual experience.”*

And believe me you are getting more than you bargained for, more than you expect, because the television and video game experience permeates your very being by giving you (allowing you to have) a visceral response or reaction (an emotional response is like “glue”); this guarantees that your experience is embedded into your DNA, so that you pass it on to your children.

“Pass what on to my children,” you may ask. Good question. Passing on your ability to “suspend your disbelief in a lie.” Let me say it another way. When you watch something that is not true, but, for the story line, it has to be true, for the next part to be consistent and viable and seem believable, then one must suspend their disbelief, in the unreal nature of the event or scene or conversation, so one’s experience is pleasurable and palatable.

Example: Bo-Bo, a character in a television show or video game can jump off of a five-story building. If you see that enough (twice or more), what happens is you believe what you see. But you tell yourself that it is only a show. But your brain is receiving the message, *“This human can jump off a building and survive. You are human. You can survive a jump like that.”* (This is one reason you do not park your children in front of television, unless you do not love them.)

Now in ordinary circumstances, you know better than to jump off a building. But let us say you are being chased in real life and your life is in danger. You are on a five-story building and rushing to its edge. What is your brain going to tell you in the “flash” of a moment you have when you reach that building’s edge. *“Jump you can make it, just like Bo-Bo did.”* This is an overly simplified example, but that is basically how [suspension of disbelief](#) works. You stop believing in the truth, and believe a lie.

This becomes a [habit](#) after 21 days. And you know that you have watched television more than 21 days—not one particular show, but television. And you know that your child has played video games for more than 21 days. Human physiology dictates that if you do something [21 days it becomes a habit](#). This is how demons can go and come into people without being numbered like the sand.

The numbers of unclean spirits is limited; remember you have been binding, disintegrating and making them powerless for years. Those unclean spirits are out of play; so they have to use human habits to create “spiritual doorways, spiritual gates, and spiritual windows” to continue their work as well as other humans to get you to move into poor habits, conversation, actions, and thoughts, i.e., people like Lady Gaga.

Why are I telling you all of this? Because most of you do not believe that unclean spirits exist. **(Ephesians 6:12)** Most of you think that Catholics are Christians. Do you know how many [Christians were killed by Catholics](#) before Martin Luther’s Reformation? (This may happen again if you do not suspend your disbelief. Remember, The Messiah is coming! Gone are the “good ole days.” One night you will go to sleep and when you awake, tomorrow will be “upside down different.” You will not be able to say, “*Jesus why did You not let us know.*” He is telling you now, through me. You best listen!) [Catholicism](#) is not a denomination; it is a world movement created by the antichrist to “water down” [The Way](#) (Early Christianity of the 1st, 2nd, 3rd and part of the 4th centuries). And I must say by all accounts the antichrist’s efforts worked because the Universal Church, the World Church—[Catholicism](#) is the world’s largest religious organization on the planet. They are presently experiencing the great falling away. **(2 Thessalonians 2:3)**

No, I do not hate nor dislike Catholics, they are our brothers and sisters who are under the auspices of unclean spirits (probably spirits of perversion, among others) and have been for centuries. There are many [“bread crumbs”](#) which point this out, but remember they, like many who have their eyes pinned to television and their pastor’s (father’s) mouths instead of the Teachings of The Messiah are living under [suspension of disbelief](#) or strong delusions which will not allow them to see The Truth.

“7 For the mystery of iniquity doth already work: (evil is at work and it is hidden in mysteries) **only he who now letteth will let,** (if you let evil in your life now, you will continue in it) **until he be taken out of the way.”** (until it kills you or yours or your family, after you stop following the Teachings of The Messiah (The Way, The Word (Emmanuel)) **2 Thessalonians**

“8 And then shall that Wicked be revealed, (the one causing this evil on the earth will be revealed) **whom the Lord shall consume with the spirit of his mouth,** (the Lord’s servants will inform you who they are who work this evil) **and**

shall destroy with the brightness of his coming:” (and the Light of Righteousness from the Lord through His servants testimonies (words) will destroy his / her position of power) **2 Thessalonians**

“9 **Even him** (even them who work for the evil one), **whose coming is after the working of Satan** (they work for satan and the works are easily recognized as evil though sometimes under the guise of technology) **with all power and signs and lying wonders**, (doing things like you haven't seen or imagined—hear new technology, movies, video games, television which carry strong delusion with trappings of cursings, curses, nudity, sexual perversion, immorality, crime, necromancy, rape, violence, inhumanity to mankind, womankind, childrenkind, with strong peer pressure to move into and exist in these environments and circles of existence) **2 Thessalonians**

“10 **And with all deceivableness of unrighteousness** (late night television in America, on cable television, Internet nastiness, television and movie nastiness and devilment, burlesque, bath houses, theater, in homes, in institutions, and in churches which causes human destruction while on earth and yet to come spiritually outside of this realm) **in them** (this evil, devilment, and nastiness resides in people as they absorb it, retain it, rehearse it, live it, re-live it and exist in it while introducing others to it) **that perish;**” (this will cause and is causing people to perish spiritually now and soon physically spiritually) **because they received not the love of the truth**, (they did not love the Truth) **that they might be saved.** (the Truth which would allow them the opportunity to be saved.) **2 Thessalonians**

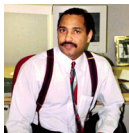

“11 **And for this cause** (and because people would not follow and adhere to, i.e., live the Teachings of Christ Jesus but determined to follow their own desires and the desires sold them by society, corporations, institutions and other self-serving, egotistical, perverted souls) **God shall send them strong delusion**, (Father God will allow unclean spirits to create technologies which will present to reprobate peoples evil imaginations of the incredible sort which causes their mouths to drop open, cause their minds to wonder, cause their hearts to emote, give them visceral responses, provoking inordinate desires, attitudes, actions and responses not only to themselves, their families and friends, but to the greater society and societies as a whole) **that they should believe a lie:**” (since movies, television, video games and the like have perverted their minds to believe the things that are not and to disbelieve the truth (i.e., a person killed on

a video game is regenerated; but in real life they do not get up again) about the facts of life and the physical and spiritual laws which are in effect; they believe in things which they should not believe in—they believe a lie before they will believe a truth and The Truth.) **2 Thessalonians**

“12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.” (They loved pleasure and the things and people which caused them pleasure more than truth and The Truth and therefore were damned while on earth and when their bodies die. Their souls are tortured here on earth and their souls will be tortured eternally. What you bind on earth, you bind in Heaven. **(Matthew 16:19)**) **2 Thessalonians**

“13 But we are bound to give thanks alway to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth:” (Brothers and Sisters in Christ Jesus, do not worry but give thanks and be happy to our Heavenly Father because your Salvation is in Christ Jesus and your unrighteousness has been and is always sanctified through the Blood of Jesus and the Holy Spirit leading you (and you following) unto all righteousness in Christ.) **2 Thessalonians**
