Our enemies are not of flesh and blood but spirits and principalities which we cannot always see coming against us or our families.

“Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates. And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them. And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone. By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.”

REVELATION 9:14-18 (KJ)

REVELATION 9:14 -18. This is what I saw when I read this passage.

This is what I heard when I played the audio file from www.BibleGateway.com using the King James Version. Let me say here that Scripture is multi-dimensional and not as linear as we have been taught. The Scriptures transcend time and space. With that in mind, let me share with you in a most personal way, that which many people will not share—that which the Spirit is sharing that is highly spiritual in nature. Please allow the Holy Spirit to allow you to receive that which is for you in

this passage. There is another Revelation which came also; we will see if the Holy Spirit wants it to be a part of this devotional.

This did not come with only one reading and listening only. Once I hear anything in a passage, I stop and re-read it or re-listen to it, because in ALL THINGS honor the Father, the Holy Spirit. So when the Holy Spirit showed me one thing, and if that one thing is not complete in the Holy Spirit sharing with me, then I know there is more. I then listen or read again and in my honoring God, God honors me with the Grace to receive that which you are about to hear in Jesus' name: Emmanuel. Bless your ears and eyes right now in the name of Jesus.

Much of this I did not receive and I know that the Holy Spirit will give me the rest if I am to know and to share with you. The Holy Ghost may give it to me and tell me not to tell you, so please bear with me. Thanks.

I am not going to offer much explanation on much of what you read—I am giving it to you like I received it. Remember, this prophecy came some hundred years after Jesus during Ancient Times when no one could even imagine helicopters, airplanes, nor automobiles.

(This is a war, a spiritual war, not a physical war like you imagine with fighting military soldiers. This war is spiritual and it comes at you without you seeing it. But rest assured, this war is coming to kill humans and we are already in the midst of the battle and we are losing. It is a battle which will be lost because one cannot see it from afar only the results of its negative impact unless one is in the Spirit of Christ.)

14 Saying to the sixth angel which had the trumpet, Loose the four angels ([Iran](#), Iraq, Kuwait, Saudi Arabia) which are bound in the great river Euphrates (Euphrates River).

15 And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men (This is a large number of humans, not a specific number; so many they cannot be counted—destroyed by cancer, respiratory toxins, neurotoxicity, reproductive toxicity.).

16 And the number of the army of the horsemen (cavalry, mounted on horses—hear: mounted cavalry today are in vehicles—hear: transportation—hear vehicles (automobiles, trucks, SUVs, vans,

motorized transportation of all types using oil-based) (hear: dead plant and animal remains-based motors; when you hear dead-related things such as oil, hear: [necromancers](#).) **were two hundred thousand thousand** (a number which is unlimited because it keeps growing): **and I heard the number of them** (they can be heard from afar).

17 And thus I saw the horses (cars; motorized vehicles) **in the vision, and them that sat on them** (sat in them (cars, trucks), sat upon them (jeeps, humvees, and the like), **having breastplates** (hoods) **of fire**, (red, orange) **and of jacinth**, (gemstone: reddish blue, deep purple) **and brimstone** (sulfur: yellow): (Imagine cars in a showroom and you will see a room full of these colors, especially the higher end models of cars.) **and the heads of the horses were as the heads of lions**; (These are the grills of the cars, the front of the car; ornate, highly decorated to make the best impression for purchase.) **and out of their mouths** (When you lift the hood of your car, this is the mouth spoken of here.) **issued fire** (fire in the engine block; [heavy metals](#)) **and smoke** ([exhaust](#)) **and brimstone** ([hydro carbons](#)). (These issue forth from the mouth, from the motor but does not go out of their mouths as you and I first imagined when we read this scripture; but proceeds through the vehicle into the exhaust system and out of the tailpipe—this relates to the verse 19 which is not covered here. Remember, there are plastics and other components of vehicles which harm mankind not mentioned in this prophesy. And there is no mention of the fuel itself and the harm to mankind that petroleum causes.)

18 By these three was the third part of men killed, by the fire ([heavy metals](#)), **and by the smoke** ([exhaust](#)), **and by the brimstone** ([hydro carbons](#)), **which issued out of their mouths** (from their engines).

REVELATION 9:14-18 (KJ)

Automobiles kill more people than all the wars combined. AND, and that's a BIG "and," and they continue to kill humans. Isn't there a better way? These are indeed the last days and the RAPTURE is about here. Prepare to receive your KING.
