GOD WILL SPEAK TO YOU

Three Different “Voices.” We have the potential to hear three different “voices” in our minds: the voice of God (the Godhead, five-fold ministry, the workers in the Kingdom of God, etc.), the voice of satan (the enemies of God, evil, the workers in the kingdom of satan, etc.), and the voice of self (ourselves, our parents, grandparents, teachers, friends, the boss, etc.).

“Voice” of self. (Each voice sounds like your own.)

The voice of self will have our selfish motivations at heart. It will have the fulfillment of our own self-interests in mind. The lust (desires) of the flesh will be the main place of operation of these thoughts. These thoughts should be easy to recognize because we know our own voice, which we hear in our minds daily. Read that last sentence again—it is key.

If you don't recognize your voice, start paying attention and you will hear yourself telling yourself things to do or not to do all day long. But know that this voice has your self-interest, both good and bad interests in mind. Your desires, your plans, your goals are in its plans.

These voices generally come, as small, quiet voices so don't get them confused. With practice, they can be easily recognized.

“Voice” of the enemies of God. (Each voice sounds like your own.)

Another voice that you will hear is the voice of the enemies of our Father, satan. This voice will have your destruction in mind. The goal of this voice is to take you as far away from our Father as is earthly, spiritually, physically and mentally possible. The enemies of our Father will try to destroy you, your family, your home,

your finances, your business, any and every aspect of your life. They will accuse, lie, gossip, steal, and use petty nature as a footstool into larger and more powerful forces of destruction.

Usually, the enemies of our Father work subtly, quietly with deadly precision to achieve our separation from God and our destruction by any means necessary.

“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; speaking lies in hypocrisy; having their conscience seared with a hot iron;”

1 Timothy 4:1-2 (KJV)

The voice from the enemies of God will have the destruction of you, your family, your friends, and your community as an unchanging goal. It moves towards its goal by making suggestions to you. It can be a suggestion, which leads to a negative emotion, such as, shame, pride, hate, sadness, and self-pity.

It can be a suggestion, which leads to making someone feel badly by saying something which is uncalled for; saying something that hits someone in his or her vulnerable places.

Just know that what you hear from this voice will be negative; it will be destructive in nature, to life and God's Creation.

“Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.”

1 John 4:1 (KJV)

“Voice” of God. (Each voice sounds like your own.)

The other voice you hear will be from the Lord Jesus, the Christ or from the Kingdom of God. This is the voice you want to listen for and act on. The voice of God will not be a self-empowering or self-destructive voice. It will come in the form of authority, completion, correction, direction, perfection, protection, and with the Will of God as its purpose—Whose focus is orphans, widows, poor, imprisoned, strangers; the weak and suffering.
