Boldness often looks like insanity.	Pride is like a two-edged sword. You get it because <u>you</u> are proud; and you give to <u>others</u> because you are proud. What you get and give is destruction. "Pride goeth before destruction..." Proverb 16:18 (KJ)	Remember, if your head is "in the sand" on the big issues, then you can only imagine the number of smaller issues which which are missed.

C3 Knowledge=knowing something Understanding=knowing the how and why of that something. Wisdom=application of knowledge and understanding.
D1 Who put the "I" in butterfly? There is no "I" in butterfly -- that's the point-- people try to put an "I" in places it does not belong.	D2 It is difficult to rely on old models when you are making new trails; a trailblazer, a pathfinder, a seeker of the Truth.	D3 God is bigger than that! No matter how BIG you imagine God to be -- He is BIGGER than that.
